**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a loyal Sonic customer and I understand that they are under attack by ATT and US Telecom to take away Sonics access to critical unbundled network elements. I have used ATT and other providers in the past and was very unhappy with their level of service. Sonic on the other hand has surpassed this expectation of a basic decent level of customer service and quality product.

Consumers deserve alternatives, competition is good for consumers and limiting Sonic in this way will lessen their ability to provide a competitive product and force many people to have to choose an inferior product.

Thank you,

Nanci Graham
